Location

Penpark is ideally situated for exploring Devon, Dartmoor and the coast. We are 25 minutes from Exeter and 30 minutes from Plymouth.

Southbound from Exeter: Take A38 to Plymouth and stay on it for 17 miles (ignoring directions A380 Newton Abbot), and then take the A382 Newton Abbot turn off. Take third turning off the roundabout at the end of the slip road signposted to Bickington. After nearly three miles continue through the village, up the hill, stop at T-junction and turn right onto A383 signposted to Plymouth. After only 300 yards turn right again in front of a white cottage, signposted Widecombe, Sigford. This takes you over the top of the A38 on a road bridge and up our hill. At the top, in only about 1/4 mile turn right into our tarmac drive which leads up to the house.

Northbound from Plymouth: After passing Ashburton on A38 take next turn off, A383 to Newton Abbot. While still on the slip road, turn left signposted Widecombe and Sigford. At the top of the first hill in 1/4 mile, turn right into our tarmac drive.

From Newton Abbot: Take A383 Ashburton Road. After approximately 4 miles fork right signposted Widecombe and Sigford in front of a white cottage. Go over A38 and up hill for 1/4 mile and turn right into our tarmac drive.
